Electric Meter Detail - billing period from February 20, 2026 to March 23, 2026 (31 days)

Meter #	New Read	Read Type	Date	Prior Read	Read Type	Date	Read Diff	Total Usage kWh
013456140	11944	Actual	Mar 23	11762	Actual	Feb 20	182	182

Your Supply Charges

Supply 182.00 kWh @12.791¢/kWh	\$23.28
Merchant Function Charge	\$1.08
GRT & other tax surcharges	\$0.59
Sales tax @4.5%	\$1.12

Total electricity supply charges **\$26.07**

Your total electricity supply cost for this bill is 13.71¢ per kWh. You can compare this price with those offered by energy services companies (ESCOs). For a list of ESCOs, visit: PowerYourWay.com or call 1-800-780-2884.

Your Delivery Charges

Basic service charge	\$23.50
Delivery 182.00 kWh @19.412¢/kWh	\$35.33
System Benefit Charge @0.703¢/kWh	\$1.28
GRT & other tax surcharges	\$2.88
Sales tax @4.5%	\$2.83

Total electricity delivery charges **\$65.82**

Your electricity total **\$91.89**

Understanding your bill

Basic Service Charge: A charge for basic system infrastructure and customer-related services, including customer accounting, and metering services. A billing and payment processing charge of \$1.80, which may be avoided by switching to an energy services company (ESCO), is also included.

Delivery: Charge for maintaining the system through which Con Edison delivers electricity to you.

Electricity Supply: Charge for the electricity supplied to you.

Energy Delivery: Additional Delivery Charges and Adjustments. For more information, visit conEd.com/rates.

GRT & other tax surcharges: Taxes on Con Edison gross receipts from sales of utility services and other tax surcharges.

Merchant Function Charge: A charge that recovers costs associated with procuring electricity, procuring and storing natural gas, conducting credit and collections activities, and managing uncollectible accounts.

New Read: Monthly meter readings are no longer used for billing purposes. Instead, we use the data provided by your smart meter(s), which improve accuracy by recording your energy use in 15-minute intervals. Your New Read is provided for illustrative purposes only.

Prior Read: Your prior meter reading was calculated when your last bill was issued.

Reading Difference: The reading difference is the result of subtracting your prior meter reading from your new meter reading. Please note: the New Read and Prior Read values shown on your bill have been rounded and/or truncated. Calculating the Read Diff yourself may result in a different value than the one shown here.

Reading Type: You will see the word "Estimated" here if your smart meter was unable to communicate your energy use during the billing period. Otherwise, your reading type will be "Actual".

Sales tax: Tax collected on behalf of New York State and/or your locality.

System Benefits Charge: A charge that recovers costs associated with energy-efficiency and renewable-energy programs implemented by the Company and the New York State Energy Research and Development Authority (NYSERDA).

Temperature * Source: Central Park Weather station.

Total Usage (kWh): Your total usage is the sum of the 15-minute interval data recorded by your smart meter(s) during the billing period. This is used to calculate the energy-delivery and energy-supply charges on your bill.

YOUR DOLLAR FOR ENERGYSHARE CAN MAKE A DIFFERENCE

EnergyShare helps eligible residential customers struggling to pay their bills with a grant of up to \$300. Pay the total amount of this bill and exactly \$1.00 more, and that dollar will go towards the EnergyShare fund. Con Edison will match each contribution.

How to get in touch with us

Email or chat: conEd.com/ContactUs

Phone: 1-800-752-6633

Mail: Con Edison, PO Box 138, New York, NY 10276-0138

Ways to pay your bill

- Auto Pay:** Pay your bill automatically from your checking or savings account at no charge. Enroll at conEd.com/MyAccount or call 1-212-243-1900.
- Online:** Pay at conEd.com/MyAccount using your bank account, credit card or debit card at no cost.
- App:** Download the Con Edison app from the App Store or Google Play Store.
- Phone:** Pay by phone at 1-888-925-5016 using your bank account, credit card or debit card at no cost.
- In Person:** Our walk-in centers are open Monday through Friday from 8:30 a.m. to 5:00 p.m.

Bronx: 1775 Grand Concourse

Brooklyn: 345 Jay Street

Manhattan: 122 East 124th Street

Queens: 89-67 162nd Street

Staten Island: 1140 Richmond Terrace

Westchester: 1 Bogopa Plaza

* If your payment stub is labeled "CASH ONLY" please pay in person or with a credit card at 1 888-925-5016.

- Mail:** Send a check or money order, payable to Con Edison, using the envelope provided to authorize us to make a one-time electronic fund transfer from your account or to process the payment as a check. You will not get the check back. Do not send cash.

Customer News

Spring 2026

C97-202602 RJ-39369

Need Help With Your Bill?

If you're having trouble paying your bill, we want to help:

- Set up a flexible payment agreement or get an extension if you need more time to pay your bill. Go to **conEd.com/PaymentPlans** and sign into your account.
- Sign up for Budget Billing at **conEd.com/BudgetBilling**. We estimate your yearly energy costs and spread payments out evenly over 12 months.
- HEAP offers grants to eligible customers to help pay their energy bills. New York City residents can call the HEAP hotline (**1-718-557-1399**) or **311**. Customers in Westchester can call the Department of Social Services (**1-914-995-5619**). If you receive a HEAP grant from another utility or oil company, you may be eligible for reduced electric rates. Fax a copy of your HEAP grant letter to **1-917-639-2900**.

Need help signing up for My Account or learning more ways to do things online? Call our Resource Direct line: **1-212-358-4565**.

Do You Qualify for Extra Savings?

If you receive benefits such as Medicaid, SNAP, or Supplemental Security Income, you may also qualify for a discount on your monthly energy bill through Con Edison's Energy Affordability Program (EAP).

See if you are automatically enrolled by logging in to My Account or check the "Adjustment Information" section of your bill.

Now, New Yorkers with household incomes up to the area median who are not currently enrolled in government assistance programs may be eligible for EAP benefits. Learn more and find out if you qualify at **conEd.com/EAP**.

EmPower+ is a New York State program that helps low- and moderate-income households save energy and money toward energy improvements made to their primary residence. Find out more at **nyserda.ny.gov/All-Programs/EmPower-New-York-Program**.

Smart Ways to Save Energy, Control Costs

- Upgrade your home with professional air sealing and insulation to increase comfort and nix uneven temperatures all year long. Plus, we'll cover a portion of the cost when you work with one of our qualified contractors. Learn more: **conEd.com/WeatherReady**.
- Reduce your energy usage during peak energy events and earn Smart Usage Rewards. You'll help reduce strain on the energy grid and ensure everyone has safe and reliable power when they need it the most. There's no cost to enroll and you can opt out at any time. Learn more: **conEd.com/SmartUsage**.
- Stay comfortable year-round and save energy when you install an electric heat pump. Work with a qualified contractor and we'll cover a portion of the installation cost. See which heat pump is right for you: **conEd.com/Comfort**.

Life-Support Equipment and Medical Emergencies

If you or someone in your household uses life-support equipment or has a medical-emergency condition, we need to be able to reach out during storms and other emergencies so we can provide important safety information.

Both life-support equipment and medical-emergency conditions require certification that must be updated periodically.

Get started by calling **1-877-582-6633** or log in to **conEd.com/MyAccount** and use our online forms. Or download the life-support equipment form at **conEd.com/LifeSupportEquipment** and email it to **LifeSupportEquipment@conEd.com**. You'll need your 11-digit account number.

Don't Fall for Scams

Don't give scammers your hard-earned money. These are the secure ways to pay your bill:

- Download the Con Edison app.
- Log in to your account at **conEd.com**.
- Use **conEd.com/GuestPayment**.
- Call **1-888-925-5016** to pay by phone.
- Find the current secure payment methods, including locations of walk-in centers, at **conEd.com/PaymentOptions**.

Here's how to be safe:

- Ask for ID: If someone at your door claims to be from Con Edison, call **1-800-75-CONED (1-800-752-6633)** and confirm the employee's name and ID number.
- Check the URL: Make sure emails are from **conEd.com** and don't click on suspicious links. Be careful using search engines, and stay alert to fake addresses (con3d.com, c0edison.com).
- Pay safely: We will never demand payment via prepaid gift or debit card; cryptocurrency, such as Bitcoin; or wire transfer, whether in person, on the phone or by text. If you feel unsure, call us: **1-800-75-CONED**.
- Report scams: Contact your local police department or call us at **1-800-75-CONED**.

Learn more about common scams at **conEd.com/ScamAlert**.

Spending More Time Outside?

Never use extension cords or other electrical products outdoors unless they are specified for outdoor use. Get more energy safety tips at **conEd.com/EnergySafety**.

Supporting New York’s Future

When it comes to powering New York, reliability is nonnegotiable. While our primary job is to keep energy flowing, we are deeply rooted in the communities we serve. More than 80% of our 14,000 employees are New Yorkers supporting families, just like all our customers.

We support the Clean Energy Academy along with our workforce development grant program to prepare more New Yorkers for well-paid jobs in emerging and in-demand industries including clean energy and technology.

In 2024, our investments supported nearly 38,000 local jobs and helped generate \$23 billion in economic output, equal to 1% of New York State’s gross domestic product.

New York never stops, and neither do we. We’re working to address the challenges all New Yorkers face today, while we prepare for a new energy future. Learn more: conEd.com/Reliable.

Power Problems?

Report outages, partial, dim, or flickering lights at conEd.com, or use our mobile app for iOS or Android devices, or call **1-800-75-CONED (1-800-752-6633)**.

Be sure we have your current email address and cell phone number so we can contact you during an emergency. When you report an outage at your home or business, you’ll get regular status updates.

- Visit conEd.com/StormCentral to check your status and see what’s happening in your neighborhood.
- Never go near or touch a fallen power line.
- If you see a downed wire, call **1-800-75-CONED** immediately.

If power goes out, turn off appliances, but leave a light switched on so you’ll know when service is restored.

**Environmental Disclosure Label
for Con Edison**

Fuel sources and air emissions to generate your electricity January 1, 2024 through December 31, 2024

The New York Public Service Commission requires electricity suppliers to provide periodic environmental disclosure statements that explain fuel used to generate electricity, air emissions, and how emissions compare to a statewide average. These are the most current tables available for Con Edison.

For more information, visit www.askpsc.com or www.dps.ny.gov.

Fuel Sources:	
BAT	<1%
Biomass	<1%
Coal	3%
Hydroelectric	2%
Natural Gas	60%
Nuclear	25%
Oil	<1%
Renewable Biogas	<1%
Solar	5%
Solid Waste	3%
Wind	2%
Total*	100%

** Total may vary slightly from 100% due to rounding*

**Air Emissions Relative to
New York State Average**

Sulfur Dioxide (SO₂)

108% of average

Nitrogen Oxide (NO_x)

108% of average

Carbon Dioxide (CO₂)

108% of average

Sulfur dioxide and nitrogen oxides are key pollutants that contribute to acid rain and smog, and carbon dioxide contributes to global climate change. Depending on fuel source, size, and location, the generation of electricity may also result in other public health, environmental and socio-economic impacts not disclosed above.

This label displays information on the electricity provided to all customers of this entity. If necessary, product specific labels can be generated by the entity.

Do You Have a Building of Public Assembly?

Each year, Con Edison conducts free inspections of gas service at buildings of public assembly. Qualifying institutions include those licensed by New York State for the care of children, factories that employ 75 or more people, as well as buildings that have a capacity of 75 or greater where the public is regularly admitted. Office or apartment buildings not normally used by more than 75 people are not eligible for the free inspection. If you think your building qualifies, notify us at **1-888-544-5476**.

Gas Line Safety Check

New York State law requires us to perform safety inspections of all gas service lines. Please help by providing access to your meter. Con Edison employees or our authorized contractors will check for leaks and corrosion on all exposed piping. There’s no charge for the inspection, which takes about 15 minutes.

To schedule an appointment, call Con Edison at **1-800-643-1289** weekdays between 7:30 a.m. and 4:30 p.m., or email gasinspections@conEd.com. Contractors and employees will carry and show a Con Edison ID. Questions? Learn more: conEd.com/GasInspections.

We Speak Your Language!

Pay your bill, submit a meter reading, report an outage, and more using our automated phone service in Spanish, Mandarin, Cantonese, Russian, Polish, and Korean. Call **1-800-75-CONED**.

Smell Gas. Act Fast.

- Smell:** Natural gas smells like rotten eggs.
- Gas:** If gas is in the air, a spark could cause an explosion. Don’t light a match, smoke, flip a switch, ring a doorbell, or touch appliances or electronics, including phones.
- Leave:** If you suspect a gas leak, get everyone out immediately.
- Call:** When you’re safely away from the area, call **911**, Con Edison (**1-800-75-CONED**) or National Grid (**1-718-643-4050**). Don’t assume someone else has already called. You can report leaks anonymously.
- Learn more: conEd.com/GasSafety.

Call 811 Before You Dig

Planning some yardwork this spring? Hitting a gas line with your shovel or other equipment can seriously injure you. Before digging, call **811** two to 10 days ahead of time (it’s the law), so utilities can mark the location of lines for free. Some pipelines are marked with the name and phone of the pipeline operator.

We continuously monitor and inspect our 4,300 miles of natural-gas pipelines. Keeping you safe around them is our top priority. For more information, visit conEd.com/GasSafety or <https://www.npms.phmsa.dot.gov>.

Help for New Yorkers in Need

EnergyShare helps eligible residential customers get a grant of up to \$300 to pay their energy bill. When you add exactly \$1 extra to the total amount due on your bill, Con Edison will automatically donate it to EnergyShare. And, we match your contributions dollar for dollar. Learn more: conEd.com/EnergyShare.

Protect Yourself From This Deadly Gas

Carbon monoxide (CO) is odorless, colorless, and it could be deadly. Know the signs of CO poisoning—headaches, shortness of breath, dizziness, nausea, and fatigue.

Leave the area immediately and call **911** if you suspect CO poisoning.

Once a year, replace the batteries in your CO detector, and clean heating systems, vents, chimneys, and flues. Learn more at conEd.com/COSafety.

Spot Steam?

Immediately call **1-800-75-CONED**. Visible steam can reveal a leak and we need to check it out.
